(Signature of Notary Public)

Signature of applicant _____

Address _____

County of _____

Municipality of _____

THE BUILDING PERMIT PROCESS

You will need to:

1. Fill out a building permit application completely and sign it.
2. Submit (with the application) a plot plan showing all structures on your property including the location of the new structure. Show front, rear and side yard setbacks for your zoning district (see below) from the new structure to the property lines, or the right-of-way line at the road. (Pennsylvania Labor and Industry approval is required for commercial building permits.)
3. On new structures, submit a sewer permit or a septic permit.
4. Submit proof of Workers' Compensation Insurance for the contractor doing the work.

SETBACKS REQUIRED FOR EACH ZONING DISTRICT

RA – Rural Agricultural District

Minimum front yard setback – 50' at the right-of-way line.
Minimum rear yard setback – 50', Accessory – 10'.
Minimum side yard setback – 20', Accessory – 10'.
