ADDENDUM TO BUILDING PERMIT APPLICATION

1. Applicants for new construction or major renovation will be subject to inspection for compliance with Uniform Construction Code as adopted by Pennsylvania.

The Donegal Township Code Inspection Agency is:

RICHARDSON INSPECTION SERVICES, LLC.
2879 MERCER BUTLER PIKE
GROVE CITY, PA 16127

2. Applicants for new construction or major renovation may be subject to the Township Stormwater Management Ordinance. If that is the case, you should contact an engineer.
3. Donegal Township has a minimum 10 foot setback from the property line. No change to the elevation or topography of the area within the 10 foot setback, eg., excavating a hillside to create a wall, may take place without the express consent of the Board of Supervisors taken at a regular meeting of the Supervisors.

I have received the Addendum to the Building Permit Application.
